(4) Sir,

With reference to Government Memorandum No.20280-1 L & M dated 21st. July 1924, declining to sanction permission for over-drawal from the treasury by this Taluk Board, I have the honor to state as follows:-

2. The normal monthly expenditure of the Taluk Board exceeds its monthly average receipts by Rs.1100/- as can be seen below:-

Receipts.

Elementary education grant per month	1346
Taluk Board's average receipts per month including the monthly instalment of Land cess.	750

	2096

" Elementary Education	2590
" Hospital and Dispensaries	180

	3180

	or 3200.

The amount required for clearing off the arrears of salaries, etc of establishments for the last 4 months Viz. from April

P.T.O.

April, to July 24 would therefore be Rs.4400 over and above the receipts of the corresponding period. ~~Now~~ Calculating at the above rate, the amount that would be required for the 5 months from August 24 to December 24 for recurring expenditure in excess of the receipts would come to Rs.5500, or the total sum required for 9 months from April 24 to December 24 will be Rs.9900 or roughly 10000.

I have forwarded with this office Dis.150/13-5-24 a revised budget estimate of the Elementary Education fund for the year 1924-25 and revised estimate for 23-24 to the Director of Public Instruction Madras for submission to the Government with his remarks. I hope to receive orders of the Government thereon before the end of December next at the latest, with some additional grants at least to cover up the overdrawal above prayed for.

It is a great hardship for the ill paid and the already poverty stricken teachers to starve without their hard earned salaries for 4 months together for no mistake of theirs and my position to answer them when they present before me to demand their salaries has become more difficult still. If the Government are not ^{so} pleased ~~as not~~ to grant permission for overdrawal at least at present, I will be obliged to the necessity of closing some of the elementary schools at once, as the sight of the poor school masters is highly pitiable and as the Taluk Board cannot see their way to find out any additional resources for meeting the extra cost. Hence, the overdrawal prayed for may be kindly permitted urgently!

I have the honor to be,

Sir,

In reply to Government memorandum No.22433-1 L & M dated 25-8-24, I have the honor to submit as follows:-

2. The actual balance of the Taluk Board on the treasury ⁹⁶⁻³⁻¹¹ on ~~the~~ closing day for the month of August 1924 was Rs.95-1-11 ^{as per Td} (Harpanahalli sub treasury Rs.45-3-0, plus Hadagali sub treasury Rs.49-14-11) and the amount of bills pending payment by the Taluk Board today is Rs.4454/- (For particulars vide list of such bills appended hereto). The establishment pay bills for August 24 amount to about Rs.3200/-.

3. The actual opening balance of the taluk Board on 1-4-24 according to its administration report was minus 2781 under the ~~personal~~ ~~general~~ general account and minus 3050 under the elementary education account. Hence, the figures said to have been reported by the President, District Board Bellary with his letter No.758/25-6-24 are evidently incorrect. The opening balance of minus 5200 shown in the Elementary Education budget of the taluk Board for 1924-25 was only a budgetted figure and consequently there is some variation with the actual balance calculated with reference to the administration report. A detailed account of the receipts and charges under the Elementary Education account in 1923-24 is prepared in the form prescribed for the annual account and

11
and submitted herewith as desired.

on 31.8.24 according to the Treasury account is Rs96.3.11
(Harpanahalli 46.5.0 + Hadaqalli 49.14.11) whereas the balance fur-
nished by the President is Rs95.1.11. The difference of Rs1.2.0

2572² is due to the fact that he has not taken to account the amount -
credited in his favour at Hospet Sub-Treasury in the month of July 24
though he was informed of it in the plus and minus memo sent to him
for July 1924.

2. The amount of bills pending payment upto the end of August is
Rs4455 and a further sum of Rs3200/- is required by the President
for payment in September of the salaries earned by his establish-
ment in August. Thus on the whole his requirements come upto end
of September Rs7655.

3. Amounts of Rs1128 and 1346 respectively of the land cess and
Education subsidy for September 24 have to be adjusted to this Board
credit on the 15th of this month. After doing this, the total amount
available comes to Rs2474.96 = 2570 against Rs7655 required by the
Board.

Subject. Overdrawal - Harpanahalli
Taluk Bd

According to the budget estimate of the Harpanahalli TK Bd for 1924-25. as approved by Govt and revised with reference to the actual opening balance on 1-4-24 the Board is expected to have a balance of Rs 8,901 ~~at~~ under the General Account at the end of the current year. The Edn Edn budget of the TK Bd for the current year however closes with a deficit of Rs 14,490. The D.P.I has recommended that a special subsidy should be sanctioned to wipe off this deficit as was done in 1922-23. The question of sanctioning a special grant is under correspondence between Law (Edn) and this deptt until a special subsidy is sanctioned the Bd may have to be permitted to overdraw on the Treasury to the extent necessary. The P.T. B may be requested to report ~~the~~ in the first instance (1) the balance of the TK Bd in the Treasury at present

C. No 25722 from the P. T. B Har Pandhali
h 10 c f. No. 10 of 28-8-24.

The P. T. B has since furnished revised actual opening balances of the Tk Bd for the current year under the General and Ele Edn Accounts - vide page 10 C.F. Revised with ^(reference to) the actual

opening balance now reported, the budget estimate of the TK Bd for the budget at (c) current year as approved by Govt closes with a deficit of Rs 2,781. The Edi Edn budget of the TK Bd for the current year as submitted by the bd and revised with reference to the actual opening balance ~~under~~ closes with a deficit of Rs 12,340, ~~but~~ after taking credit for a contribution of Rs 8,310 from general revenues. The Law (Edn) Deptt. have proposed that the TK Bd may be asked to increase ~~the~~ its contribution from general revenues to Rs 17,005 in the current year.

2 The financial position of the TK Bd ^{salaries of} is at present very serious. The estab- ishments ~~have~~ including school-masters have not been paid from June 1924. Attention is in this connexion invited to the newspaper cutting ~~at~~ in the linked file. Lest the board's administration should be brought into Contempt, it is essential that the Govt should hasten ~~of~~ its rescue. It is observed from the T. D. C.'s letter on page 17 CF that the credit of the bd in the Treasury is Rs 2,570 against ~~a liability of Rs 7,655.~~ ^{pending bills pending payment} to the extent of Rs 7,655.

A subsidy of Rs 5,000 is immediately necessary for this board. Finance I have separately objected to permitting boards to overdraw on the Treasury. They require that impecunious boards should be given either loans or contributions. In view of this, a Compassionate grant of Rs 5,000 may immediately be disbursed to the T.K. Bd. ~~It will take some time for the distribution of compassionate grants to other boards. This case cannot wait till then.~~

3. The Compassionate grant will enable the T.K. Bd. to wipe off the deficit in of Rs 12,781 ^(in the Genl Account) and to increase its Contribution of Rs to the Ele Edn fund from Rs 8,307 provided in the general budget, to Rs 10,526. Even then, the Ele Edn budget will close with a deficit of Rs 10,124. Govt (Ed) will have to give a special subsidy of this amount to the T.K. Bds for wiping off the deficit as recommended by the D. P. I. in the Ele Edn budget. The provision of Rs 1.25 lakhs for Compassionate grant is ^{not} barely sufficient to wipe off

the deficits of all boards and no no further compassionate grant could be ~~so~~ given to this TR Bd out of the provision.
